**Notes on Public Offerings**

Public offerings reported here only include transactions where the proceeds were received by the company. Shareholder offerings are not included.

Special warrant conversions are not included as the proceeds were recorded when the special warrants were issued through a private placement.

**Notes on Private Placements**

Private placement figures reflect equity financings only.

Transactions by interlisted companies are included only if that company is a non-exempt issuer.

The date shown reflects the date CDN X issued the notice accepting filing of the private placement.

Transactions listed above have been filed with CDN X, but may not have been completed by the notice date and may be subject to amendments at a later date.

## Participating Organizations

“Participating Organization” means a person whose application for access to the facilities of the Exchange has been accepted by the Exchange, and does not include a member.

An applicant for acceptance as a Participating Organization shall, prior to being accepted as a Participating Organization, and at all times thereafter, be a member in good standing of a recognized Canadian self-regulatory organization and a recognized stock exchange.

Participating organization standards are covered in Rule D.2.00 in the CDNX Rules Manual available on the CDNX web site at [www.cdnx.ca/Listing/](http://www.cdnx.ca/Listing/)
